N<sup>o</sup>. 148C.—The following letter from the Governor of the United Provinces is published:—

Letter from the Secretary to Government, United Provinces, Local Self Government Department, to the Secretary to the Government of Madras, Local Self Government Department, No. 2524X-250, dated Allahabad, 17th November 1928.

[Subject.—Hortensia Kaulb. Pair of 1907.]

(see devoted to address you in connection with the Kumbh Mela of 1971).

The suspension bridge across the Gauges at Lehighmouth where the river leaves the hills and enters the Debrai Daa district was destroyed in 1934. This bridge on the pilgrim route to Garhwal must be rebuilt before April 1938, and the only means of crossing the river will be by two small boats.

Every endeavor will be made to cope with the traffic, but difficulties will inevitably arise as there must be suspension of the speeding which is a native grasp. Pilgrims may, therefore, have to halt a day or two at Kitchikook.

On the homeward journey traffic will be directed in Garchul line, Tyngbad en Thagbat to Kothwara railway station.

\* I am to request that these facts may be published as widely as possible.
